

Newchurch 2000 Millennium Fund

Annual Awards Scheme

The Newchurch 2000 Millennium Fund was started by Mrs Libby Baxter to celebrate the Millennium and provide funds for good causes within the Village.

Currently, the fund derives its income solely from the proceeds of the **Progressive Supper** that takes place in November of each year.

The Trustees of the Newchurch Millennium Fund are inviting applications for grants towards projects that result in a direct benefit to the village or the community.

The applicant can be any individual, group, charity or business resident in the village.

The maximum amount of grant available in any year is expected to be £350 which will be awarded to the project or combination of projects deemed by the Trustees to be the most deserving at the time of application.

The closing date for each annual round of applications will be 31st December and any application that has been unsuccessful may be re-submitted in another year.
