

# You're invited to our very first online fire station open day

**Let us bring you all the excitement, fun and experience of a regular open day, but digitally through to your screens at home.**

The Online Open Day will take place on **Thursday 28 May** from **11am until 2pm** and you can join in through our official [Kent Fire and Rescue Service Facebook page](#). It will be jam-packed with exciting, interactive, educational and fun videos posted throughout the day for you and the family to enjoy.

Those who tune in will be able to meet our firefighters, get important safety tips and see what really goes on behind the scenes with our 999 operators. We will also have an exclusive appearance from The Byrnes Family, and you and the little ones can even take part in the online activity trail to become your very own Chief Fire Officer at home. Not only that but once you complete the trail it can be submitted to enter our competition to WIN a special visit to your local fire station ([T&C apply](#)).

You'll be able to find more information about our online open day, how you and family can watch along and get a sneak peek at our event timetable all on our [website](#).

**We can't wait for you to join us and get involved.**

**Visit our [Facebook page](#) now and make sure you like us, so you don't miss out!**
